“Some of the most wonderful people are the ones who don’t fit into boxes.” ~Tori Amos

Last Day of
school is
May 24th!

Next school year begins
on July 25th.

Gardening Club started April 14

In the RLC Gardening Club we will learn skills to last a lifetime. This opportunity will help learn a lifelong skill through a fun and enriching hands-on experience through gardening. Here students can explore the magic of watching a tiny seed turn into something beautiful. Students will learn about different types of gardens, what is needed to grow a plant from a seed, and how to take care of it and why plants are so important. Thank you Ms. Davis and Mrs. Padilla for leading the way!

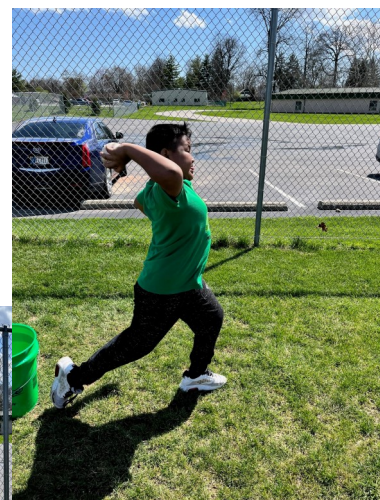

Gardening Club started on National Gardening Day.

RLC Special Olympics Basketball team participated in the Special Olympics State Tournament on March 26, 2022. Our team represented RISE well!!!! Victor and Blake received Gold Medals. MaCayla earned a Silver Medal. Kobe received a Bronze Medal. Way to go Team! Thanks again to Coach Boyd and Mr. Krebs for your assistance with our team!! They were also spotted on Channel 4 News.

Now that basketball season is over, RLC Track and Field Team has started practices. Thank you, Coach Monica, for leading our team!!!

School Nurse Newsletter

Spring has Sprung!

Hello from Nurse Beth!

Welcome back from spring break! As April showers turn to May flowers, seasonal allergies bloom as well. Please bear in mind that we do not have seasonal allergy medications like Zyrtec (cetirizine) or Claritin (loratadine) here at school, so if your child takes over the counter allergy medication, please give it at home.

Additionally, we will be having eye exams before the end of the school year for certain students in grades K, 1, 3, 5, and 8. If your student needs an eye exam, a note will be sent home with your student. Please keep an eye on their backpacks for the notice.

Thank you so much!

~Nurse Beth
