ARTICLE II ABSENCE AND LEAVE POLICY

Section 1 - Leave Days Granted Annually

- B. Paid leave should be requested in advance whenever possible.
- C. If not scheduled in advance, no more than 3 consecutive paid leave days are permitted without providing medical documentation. If, in the judgment of the Director and the Association President, the total number of absences negatively impacts student programming, the Director and Association President may require that the teacher amend or not take their paid leave days.
- D. A certificated employee may not use paid leave days for the purpose of extending the break or for personal convenience, immediately before or after an extended school break, i.e. Fall, Winter, Spring, or Summer; unless authorized by the Executive Director.
- E. Any unused paid leave days shall be rolled over into the certificated employee's accumulated paid leave days at the end of each school year. Additional paid leave days will be granted at the discretion of the Board or

as required by state law.

- F. A certificated employee who is pregnant may use any available paid leave days for any medically-related absences during pregnancy.
- G. A certificated employee who accepts less than a full-time position and a new hire that is less than a full-time certificated employee will receive pro-rata paid leave days.

All requests for such leave must be in writing and the certificated employee must specify his/her relationship to the family member for whom the family illness day is being requested and given to their supervisor. Section 4. Catastrophic Illness and Injury Leave Bank

A. Membership

A Catastrophic Illness and Injury Leave Bank will be established by the SSSEA for all eligible certificated employees who voluntarily contribute one (1) paid leave day to the bank.

B. Guidelines

1. The voluntary Catastrophic Illness and Injury Leave Bank (Bank) permits a certificated employee who has donated one paid leave day to the bank (Member) who is absent from assigned duties due to catastrophic personal illness, unforeseen surgery or debilitating injury and who has utilized all paid leave, and all other paid leave benefits of whatever nature, to petition for leave days from the Bank under the following conditions: A Member must make his/her contribution of a paid leave day within the later of first thirty (30) days of the school year, the first thirty (30) days of employment, or within the first thirty (30) days following the ratification of this Agreement.
2. It is the intent of the Bank to build a reserve of leave days equal to 3 times the number of members in the Bank. This reserve will be built over a minimum time of 3 years. After this time, should the Bank determine that sufficient days exist no annual contributions will be solicited from current Bank members.
3. If the reserve of days becomes depleted in the course of a school year, additional contributions may be requested from all Members.
4. If a Member fails to make an additional contribution when requested, his/her membership shall end, his/her contribution will be forfeited, and access to the Bank shall be terminated.
5. If the Member is currently accessing the Bank at the time an additional contribution is requested, he/she shall contribute an additional day at the beginning of the next school year. This contribution shall be made even if the Member determines that they no longer wish to participate in the Bank and shall be in addition to any other voluntary contribution.
6. Any certificated employee who is granted days from the Bank shall repay those days at a rate of two (2) days per year until all Bank days are

repaid. If the Member was using days from the Bank at the time an additional contribution was requested, that day shall also be contributed. These repayment days shall be automatically deducted at the time any leave days are credited to the Member by SSSMC. Should a Member sever employment and not have fully repaid Bank days, the Member shall forfeit any paid leave days necessary to repay the Bank.

7. The SSSEA shall maintain appropriate records of all Bank contributions, requests, determinations and appropriate dates.
8. Contributions to the Bank, use of days by a Member and all other relevant information shall be communicated to the Director of the SSSMC or his/her designee in a timely manner. A copy of all Bank records shall be provided to the Director of the SSSMC.
9. Only those certificated employees who voluntarily contribute to the Bank may request and receive benefits.
10. Unused days in the Bank will be carried forward into the next school year.
11. Bank days may be accessed and allocated only after the Member's own paid leaves days are exhausted.
12. Benefits from the Bank can only be used for the certificated employee's personal catastrophic illness, unforeseen surgery or debilitating injury which is anticipated to extend beyond five (5) work days. After an absence of five (5) or more consecutive, uncompensated work days for the same catastrophic illness, unforeseen surgery or injury, the Member may apply to receive a maximum of thirty (30) days from the Bank.
13. Where appropriate, FMLA leave will be charged concurrently with use of Bank days.
14. Bank days shall only be used for the absence of the Member and shall accumulate only for the overall Bank and not as part of an individual member's leave allotment.
15. Members may access the Bank only one time during any one school year. Once a Member becomes eligible for benefits under the long-term disability (LTD) plan, all Bank benefits and use of awarded Bank days end.

C. Catastrophic Illness and Injury Bank Committee

1. The Catastrophic Illness and Injury Bank shall be administered by a Committee consisting of the President of the SSSEA or his/her designee, and two Members of the Bank elected by fellow Members.
2. The member requesting days from the Bank shall make the request in writing to the President of the SSSEA. An application for Bank days must be received by the President of the SSSEA ten (10) days prior to the anticipated use of the Bank for any prearranged absence and no more than ten (10) days after the use of the leave days if not prearranged. In the event the Member is incapacitated, the application for Bank days may be submitted by the certificated employee's designated representative.
3. All requests to the Bank must be accompanied by a physician's signed statement confirming the catastrophic illness, unforeseen surgery, or injury, dates of service, and anticipated return to work date.
4. The Committee shall make a determination within five (5) school days of a properly submitted request. The Committee shall notify the Member in writing at the earliest possible time following a determination. Benefits will be paid only if the Committee decides in its discretion the applicant is entitled to them.
5. The Committee shall maintain the right to modify or change a determination in the event additional information becomes known or available.
6. No more than thirty (30) Bank days will be granted in response to one application.
7. The Committee may consider requests for single or partial days for scheduled ongoing medical treatment related to a catastrophic illness, unforeseen surgery, or injury. Additional medical documents including the reasons necessitating the scheduling of such treatment during the work day will be required.

D. Appeals Committee

1. All decisions of the Committee may be appealed to the Appeals Committee which shall consist of the Committee and two additional Members of the Bank one of whom shall be appointed by the President of the SSSEA and one of who shall be appointed by the Executive Director of SSSMC.
2. The decision of the appeals committee shall be conclusive and final. All certificated employees and Members specifically acknowledge the finality

of the Appeals Committee's decision for all purposes including, without limitation, that it shall not be grieved under this Negotiated Agreement.

E. Members Agreement and Indemnifications

1. In consideration of the benefits of participating in the Bank, each applicant for membership in the Bank and for leave days from the Bank shall, as a condition of such application, agree in writing substantially as follows:

"I specifically acknowledge and agree that the granting of leave days from the Catastrophic Leave and Illness Bank shall be at the sole discretion of the Bank Committee or, in the event of an appeal, the Appeals Committee, and that all decisions of the Catastrophic Leave and Illness committee or the Appeals Committee will be final and binding. I further agree to abide by such decisions and to indemnify and hold harmless the SSSEA, SSSMC, the Catastrophic Illness and Injury Bank, the Appeals Committee, and all of their representatives and agents for any loss, costs, expenses, and/or damages they may sustain as a result of any claim or legal proceedings I may bring against any of them with respect to a decision made by any of them concerning the application."

2. When a Member donates paid leave days to the Bank, he/she agrees to the published rules for administration of the Bank and agrees to abide by the published rules.
3. The SSSEA agrees to indemnify and hold harmless SSSMC for any and all claims, losses, costs, expenses, damages, or legal proceedings brought as a result of administration of the Bank.

The absence caused by an assault and/or battery, for a period up to one hundred eighty-three (183)* school days described above, shall not be charged against the certificated employee's paid leave. The Board may require an independent medical or psychological examination at the Board's expense if there is a question as to the condition of the certificated employee at any time. A certificated employee must comply with Indiana's workers' compensation reporting provisions in order to receive the benefits enumerated under workers' compensation.

*The number shall be adjusted accordingly with any change in the length of the school year for any certificated employee.
