****IMPORTANT 2023-2024 CALENDAR CHANGE****

Monday, April 8, 2024, is now an E-Learning Day! This is the day the solar eclipse is occurring, As we are in the path of totality, it was the recommendation from Indiana State Police, schools close or have an E-Learning day. Our Governing Board has approved this update. You can always see the updated calendar on our website or our Facebook Page. Teachers will be in touch closer to time with instructions and expectations for the day.

Welcome to February, RISE!

Nurse Angela wants everyone know February is American Heart Month ...

Heart Disease in the United States

- ♦ Heart disease is the **leading cause of death** for men, women, and people of most racial and ethnic groups in the United States.
- ♦ **One person dies every 34 seconds** in the United States from cardiovascular disease.
- ♦ About **697,000 people in the United States** died from heart disease in 2020—that's **1 in every 5 deaths**.
- ♦ Heart disease is the **leading cause of death** for people of most racial and ethnic groups in the United States, including African American, American Indian, Alaska Native, Hispanic, and white men. For women from the Pacific Islands and Asian American, American Indian, Alaska Native, and Hispanic women, heart disease is second only to cancer.
- ♦ The following are health issues that can cause heart disease...
 - ♦ High blood pressure
 - ♦ High cholesterol
 - ♦ Diabetes
 - ♦ Overweight and obesity
 - ♦ Unhealthy diet
 - ♦ Physical inactivity
 - ♦ Excessive alcohol use

Choose Healthy Habits

You can choose healthy habits to help prevent heart disease. If you have high cholesterol, high blood pressure, or diabetes, you can take steps to lower your risk for heart disease.

- Choose Healthy Foods and Drinks
- Keep a Healthy Weight
- Get Regular Physical Activity
- Don't Smoke

On another note....If your student is sick with ANY of the following symptoms:

Fever Chills Sore Throat Cough Body Aches

Shortness of Breath Loss of Taste or Smell Diarrhea/Vomiting Stomach Pain

Or has TWO or more of the following symptoms:

- Runny/Stuffy nose
- Headache
