Mobile Dentist is coming to RLC on April 12!!

We sent home forms with students mid-February. Due March 4th! There is also a new Online Sign Up at www.MySchoolDentist.com, if you wish to use that option. Students who do not sign up will not be seen.

TAG's **Spring Break Camp** will be March 28 thru April 8. We have set up themes for the 2 weeks of our camp that will be both fun and engaging to our children. We are accepting both disabled and non-disabled children for the fun and learning experience. We feel this exposure will enhance the opportunities for children that join our camp. An added feature to our camp will be in-house therapeutic services to aid our families. We feel that offering services in house will be a convenient opportunity for children and families.

~ Spring Break Camp will be 8am -3:45pm (Pick-up by 4pm) ~

Special Olympics is dedicated to promoting social inclusion through shared sports training and competition experiences. Unified Sports joins people with and without intellectual disabilities on the same team. It was inspired by a simple principle: training together and playing together is a quick path to friendship and understanding.

In Unified Sports, teams are made up of people of similar age and ability. That makes practices more fun and games more challenging and exciting for all. Having sport in common is just one more way that preconceptions and false ideas are swept away.

We are proud to announce that RISE has its very first Unified Esports team! Our team has been practicing to compete with other teams across the city with Coaches April Bryant and Cherard Boyd.

A big thank you to our athletes: Daniel G, Merak P, Jay'Shawn N, Kaian T, Liam L, Maggie S, William W, Isaac M, Logan D, Ryan C, Michael T, and Blake G.

Is your child/young adult interested in participating in SPECIAL OLYMPICS TRACK & FIELD at RISE Learning Center this school year?

Join us for track & field practice beginning the week of Monday, April 11th from 2:30 to 3:30 (dates and schedule coming soon).

If you **HAVE NOT** completed the Athlete Registration and Medical Forms, please do so before beginning track practice. On the form, under Local Area/Delegation, you will need to select "Marion County South". <https://medform.specialolympics.org>

If you are interested, please complete the form below and return it to school.

Sincerely,

Todd Krebs

**To be eligible to participate in Special Olympics, you must be at least 8 years old and identified by an agency or professional as having one of the following conditions: intellectual disabilities, cognitive delays as measured by formal assessment, or significant learning or vocational problems due to cognitive delay that require or have required specially designed instruction.*

On Saturday, February 12th, two of our Special Olympics basketball team members participated in the Annual Arnie Petre Tradition Basketball Invitational Tournament at Shelbyville Central High School. Victor and Kobe enjoyed themselves competing in the individual skills portion of the tournament and took home 3rd and 4th place respectfully. We are very proud of our young men and their accomplishments. The manner in which they represented RISE Learning Center was exceptional. Thank you to Mr. Krebs and Coach Boyd for all they do for our Special Olympics team! Victor, Kobe, and their teammates will have an exhibition basketball game with a local team on Monday, March 7th at 6:30 here at RISE. Please come cheer on our team! Snack Shack will also be open for items to purchase.
