Our Behavior Ed 6th grade classes (Ms. Bravo and Miss Hill) along with Ms. Posey's High School Lifeskills class studied and celebrated Hispanic Heritage Month throughout September. The classes worked together to create the artwork hanging in the hallway. The mural below is made of 33 pages ... each student chose one or two sheets to color. It looks great once all together!! Ms. Bravo has also brought in authentic treats to study the history behind them and taste test.

## Drop off/Pick-up Procedures:

If you are dropping off or picking up a student, you will need to:

1. Park at

~ Door #3 (Behavior Education & Ms. Posey's Classrooms) OR

~ Door #9 (MOVE and Lifeskills Classrooms)

and

2. Call the front office at 317/789-1621 announcing your arrival. Stay in your car and a staff member will escort your student.

*\*\*We do not release students during the last 30 minutes of school for safety reasons as buses are arriving. If you need to pick up early, please be sure it is before 2:00 (1:30 on Wednesdays) and follow the above procedure\*\*.*

***When Dropping off medications for the nurse, park at Door #9, call front office, and walk up to door to meet nurse/staff for medication count.***

Autism Community Connection's Trunk or Treat is for individuals and families affected by autism to have a good time while getting treats and learning about local autism resources. New this year, we will have "Touch A Truck" and a pumpkin patch for everyone to enjoy. Free for all attendees and all ages!

## MEET THE... School Nurse

"I am Angela Tougas and I am so pleased to be the new school nurse for RISE Learning Center."

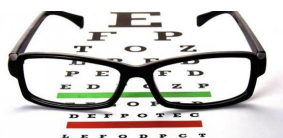

Nurse Angie comes to us from Center Grove, but was a private-duty nurse for a former student at RISE several years ago. She graduated with a bachelor's degree from WGU and has been a nurse for 9 years with a background in Peds, Trac, and Vent. Nurse Angie is a mother of five and grandmother of three. In her free time, she loves hiking with her two huskies.

"I absolutely love being a school nurse and am looking forward in partnering with you to help keep your student healthy and educated."

You can reach Nurse Angela at [atougas@riselearningcenter.org](mailto:atougas@riselearningcenter.org) or 317.789.1641.

Indiana law requires that students enrolled in 1st, 3rd, 5th, and 8th grades, as well as students with suspected vision loss, receive **vision screenings**. This screening in no way replaces a complete examination by a physician, but is a fair vision assessment.

Indiana law also requires that students enrolled in 1st, 4th, 7th, and 10th grades, as well as students with suspected hearing loss, receive **hearing screenings**. This screening in no way replaces a complete examination by a physician or an audiologist, but is a fair assessment of auditory acuity.

Vision and Hearing screenings will be held in November. You will be notified if your student fails or is unable to complete the vision and/or hearing screening. Parents of students who pass the screenings will not receive any further documentation, unless specifically requested. Please let Nurse Angie (for vision) or Miss Jordan ([jdeamicis@riselearningcenter.org](mailto:jdeamicis@riselearningcenter.org)) (for hearing) know if you have any questions or concerns.

Annual Wreath Fundraiser for MOVE Program! The wreaths are handmade and made locally. They are great for any home and also make great gifts! Wreaths will be delivered the week of Thanksgiving so you can put them up for the entire holiday season.
