The Rocket Report

Welcome back!

Welcome back to RISE for the 2022-2023 school year! We are glad to see all the students and staff once again! We have many new faces this year, students and staff, which includes new classrooms, also. We have had a great fresh start of the year!

We acquired the building directly south of us. It is now the RISE High School. Our behavior education high school students are located in this building. Students and staff in the new building have been doing a great job in their new place!

If you have not already done so, please fill out and send in the student packet and free/reduced lunch form which were sent home at the beginning of the school year. We need to be able to keep our records up-to-date each year.

Inside this newsletter, you will find Teacher Contact Info...please contact your teacher directly for attendance and classroom concerns.

We keep things updated on our website and Facebook page. Please continue to check those out.

As a reminder, please complete and sign the **2022-2023 MEDICAL INFORMATION FORM** for your student. This form shares vital information about your student's health and gives us permission to administer over-the-counter medication such as Acetaminophen (Tylenol), Ibuprofen (Motrin), and Diphenhydramine (Benadryl). This form also allows us to provide First Aid. It is this important collaboration with you that we are able to help keep your student healthy and safe. This form was sent home in the student packet. You can also access to this form on the RISE Learning Center website or ask for one to be sent home with your student.

Welcome to our new nurse Angela Tougas!! We are happy you're here!
