#### Welcome back...better late than never!

Welcome back to RISE for the 2024-2025 school year! We are glad to see all the students and staff once again! We have many new faces this year, students and staff. We have had a great fresh start of the year!

If you have not already done so, please fill out and send in the student packet and free/reduced lunch form which were sent home at the beginning of the school year. We need to be able to keep our records up-to-date each year. If you have not signed up for Parent Square, please do that, as well.

Inside this newsletter, you will find Teacher Contact Info...please contact your teacher directly for attendance and classroom concerns.

We keep things updated on our website and Facebook page. Please continue to check those out.

### As a reminder, please complete and sign the **2024-2025 MEDICAL INFORMATION FORM**

for your student. This form shares vital information about your student's health and gives us permission to administer over-the-counter medication such as Acetaminophen (Tylenol), Ibuprofen (Motrin), and Diphenhydramine (Benadryl). This form also allows us to provide First Aid. It is this important collaboration with you that we are able to help keep your student healthy and safe. This form was sent home in the student packet. You can also access to this form on the RISE Learning Center website or ask for one to be sent home with your student.

As a lot of sickness has already hit our school. Please be mindful to NOT send your student to school if he/she is ill. Thank you!

This year, Todd Krebs, a teacher at RISE Learning Center has been in education for 25 years, taught in behavior education for many years. He pursued his passion for teaching adapted PE to our students in LifeSkills and MOVE programs while also leading as our Athletic Director and a Department Chair, and ensuring student safety at arrival and dismissal.

Todd was asked to pull up his roots from his beloved position managing all of the PE and swim classes to be a teacher in our behavior education program this past summer. He exhibited nothing but grace and understanding with this operational need to serve our students better.

Todd received the Changing Lives award for his commitment to all students at RISE Learning Center. His desire to put the students first and ensure we have a strong licensed teacher in a critical grade level shows his dedication to creating change for students. He worked long days, many of them were over 12 hours long creating an organized and inviting environment for his students.

Since the first day of school, he has not wavered in his calm demeanor, welcoming and calming environment. We are so honored to present this award to Mr. Todd Krebs.
