

SNOWMEN AT NIGHT- THE SNOW SCULPTURE

Project Inspired by the Book Snowmen at Night

Snowmen at Night Inspired SNOW SCULPTURES:

Virtual Art Project – Planning Matrix Curriculum- Sculptures, Sculpture in the Round, 3-D, Textures and Form

ART VOCABULARY:

FORM:

Form is something that is 3-Dimensional and takes up space or creates the illusion of space

SCULPTURE:

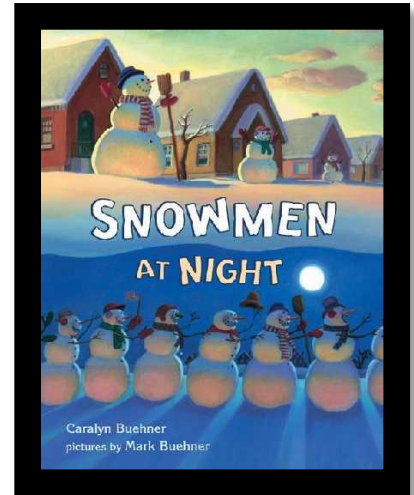

Sculpture is a branch of the visual arts. Sculpture involves the creation of artistic objects in three dimensions—length, width, and height

SCULPTURE IN THE ROUND:

A sculpture in the round stands on its own. The sculpture can be viewed from all sides

ADAPTIVE VIRTUAL ART ASSIGNMENT:

1. **BUILD a 3-D SNOWMAN SCULPTURE (indoor or outdoor) using found objects you have at home**
2. **If it is too nasty or cold to build a snowman outside, get a bucket or tub and build a mini snowman indoors. Take a photo of your sculpture!**
3. **If you want to get EXTRA creative and you happen to have watercolor paints at home... Use the watercolor paint to “PAINT” the snow**
