

## **High School Inclement Weather Plan**

Hello Rise High School Families!

As we are entering the season of inclement weather, which can include school closings and two-hour delays, I want your student to be prepared in the event of a school cancellation. If there is a chance of a cancellation, I will do my best to send home Chromebooks with students.

Your student has a seat in our google classroom with the link to gradpoint so that they are able to complete their work at home. We have also practiced google meets so your student is aware of how to log in, complete work and how to click the link for google meets. Their login will be emailed separately to you. Your student will have a check-in time with a staff member each day at home that they have signed up for in advance.

The expectation is for online work to be completed the day of cancellation and chromebooks returned to school the next day. Your student must check-in with a staff member and complete their gradpoint assignments to be marked present for the day. All of the contact information is listed below should you have any questions or concerns, feel free to reach out to me.

Hopefully, we won't have to utilize any snow days, but it is always good to be prepared. Have a great evening, stay safe and warm.
