

Good Afternoon Families,

As we are entering the season of inclement weather, which can include school closings and two-hour delays, I want your student to be prepared in the event of a school cancellation. If there is an inkling of a cancellation, I will do my best to send home Packets with students. In the packet there are supplies each student will need in order to complete their work. Then the papers within the packet are to be completed, or if a student is having difficulty they are to do what they know. Prizes will be awarded to students who complete the packet!!

There will be NO virtual work days, I do not send home chromebooks. The packets are to be done instead. If the packet is causing a behavior, please don't force it. Send me a note or email explaining what happened, the packet can be made up on the following return day.

Cross your fingers and hope that this letter will never be needed, but just in case it's always best to prepare!! Have a wonderful day, and please be safe!!

Thank you,  
Miss A. Hill
