

The Rocket Report

Parents, please screen your student EVERY morning before sending him/her to school. Please keep in mind your student can not come to school with the following symptoms. Also, you will be called to pick up your child if your student has symptoms while at school. When contacted by the nurse, please pick up within 30 minutes...this is to keep everyone as safe as possible. Please also note, we, at RISE, will send students home for a fever of 100 degrees or above.

COVID-19 Screening for Parents

Every morning before you send your child to school please check for signs of illness:

<input type="checkbox"/>  FEVER 100.4* OR CHILLS <small>*or school board policy if threshold is lower</small>	<input type="checkbox"/>  SORE THROAT	<input type="checkbox"/>  COUGH* OR SHORTNESS OF BREATH <small>*especially new onset, uncontrolled cough</small>

*May present with more than one symptom. This list does not include all possible symptoms.

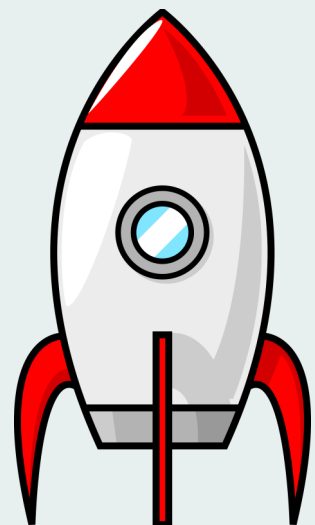

- 1 Does your child have any sign of illness above?
 - 2 Were you in close contact (within 6 feet for a total of 15 min. or more over a 24-hour period) with anyone confirmed with COVID-19?
 - 3 If the answer is **YES** to any of the questions, **DO NOT** send your student to school. Instead, begin isolation of your child and contact your healthcare provider. Have you been tested for COVID-19? Only a positive test or provider diagnosis can confirm if someone has a current infection.
 - 4 Please keep your student home until they meet the criteria on the chart on back of the page.
-  If you have trouble breathing, chest pain, new confusion, inability to wake or stay awake or bluish lips or face **CALL 911!**

RISE Learning Center
Cordially Invites You

To make a Christmas wish come true.

Several families of the Rise Learning Center struggle to provide a fun and memorable Christmas for their families. This struggle is not always due to their fault but is a reality that they must face.

This is where you come in. We invite you to make a Holiday wish come true by embracing a family for the season. The Rise Learning Center staff work diligently to assist the families educationally, behaviorally, and emotionally. Your assistance with Christmas is an enhancement in the lives of the families we serve.

Find it in your heart to support a student and his/her family for Christmas. This support could include donating to the food pantry for a holiday feast or sponsoring a family or families with presents for Christmas morning. We have a list of families that have reached out asking for assistance.

The way it works is simple. We provide a wish list to the families and match them according to your level of assistance.

Thank you in advance.
