TAG's **Spring Break Camp** will be March 22 thru April 2. We have set up themes for the 2 weeks of our camp that will be both fun and engaging to our children. We are accepting both disabled and non-disabled children for the fun and learning experience. We feel this exposure will enhance the opportunities for children that join our camp. An added feature to our camp will be in-house therapeutic services to aid our families. We feel that offering services in house will be a convenient opportunity for children and families.

~ Spring Break Camp will be 8am -3:45pm (Pick-up by 4pm) ~

February School Clinic Newsletter

A **BIG** Thank You to all those who sent your student's updated immunization record to the School Nurse. Please continue to send in your student's updated immunization record. The 2020-2021 school year has certainly been different, but **immunizations** are still required, that has not changed.

Many forms have been sent to parents/guardians from the School Nurse. Please review, complete, and sign, then return the form(s) with your student to the School Nurse. These forms are needed to provide your student with care that meets his/her needs. These forms also gives us access to you should there be an emergency or we need to contact you with the evolving changes in daily life caused by the COVID-19 virus.

As always, please contact your School Nurse with any questions or concerns.

Stay safe and healthy,

~Tina Bessenbach, RN tbessenbach@riselearningcenter.org 317-789-1641

If/When you receive a call from RLC staff requesting your student be picked up due to illness, quarantine, behavior, etc., please pick up within 30 minutes of the call. Also, everyone should have an emergency back-up plan should you not be able to pick up at these times.
